

# Where?

A picturesque six acres of countryside 28km east of Lacombe, Alberta gives participants a serene atmosphere to heal.

24-hour staff members with their own hopeful recovery journeys provide care in a country atmosphere that feels like home.

## The Powerful Addictions Graveyard

Symbolically and literally we put the past behind us. Every participant creates a personalized headstone for his or her addiction.

Family and friends are invited to gather for the moving ritual of burying this disease.

## Alcoholism & Addiction Treatment

We offer safe, structured, six-week residential treatment programs of discovery and recovery for men and women who suffer from addiction to alcohol and/or drugs. Our multi-faceted plan is designed to create new understanding and tools for recovery. These include intensive counseling and relapse prevention.

We have single rooms, no waiting list, and can pick you up from most locations in central Alberta (or meet you at the airport in Edmonton or Calgary if needed).

Serenity Ranch promotes **health and diet**, **physical exercise**, the **value of new friends, mentors**, the addition of **real joy and laughter** for healing. This is a time for people to reclaim their freedom and prepare for change.
